Presentation Submissions:
2022 mEd Alliance Symposium - Wondrous Learning is...!

Welcome to the call for presentation proposals for the 2022 mEducation Alliance Symposium.

This is our 12th annual Symposium and will the first in-person after almost 3 years. The event will take place at the United States Institute of Peace in Washington, D.C. from November 2 - 4, 2022 (If you are an Alliance Member an invite-only event will take place on November 1st).

To celebrate the occasion, we've selected a special Symposium theme: "Wondrous Learning is...!

Wondrous - inspiring a feeling of wonder or delight; marvelous.
Learning - the acquisition of knowledge or skills through experience, study, or by being taught.

What does "Wondrous Learning" mean to you? What would you like to present on this topic?

Tell us and, if you are selected to present, the event organizers will contact you to confirm your participation, determine the “best fit” session format, and invite you to submit a short video about your idea and/or project which we can feature prior to and during the Symposium event. We are looking for all types of presentation proposals, including those that use low-cost tech and non-tech interventions.

If you have any questions, feel free to e-mail us at medalliance@meducationalliance.org.

Please note: The final submission date for presentations is August 12th!
